

How to access my course content

Version 1.0, November 2021

After successfully logging in, you will see the **Overview** page as shown below.

- ① This is the overview tab.
- ② In the 'My Courses' section, you can view all the courses that you have been accepted for.
- ③ Click on the unread/available message to access the course content.

'My Courses' Online Content

When you click on a course from the '**Overview**' page, the below screen will appear.

The screenshot shows a course overview page. At the top, the course title is displayed (1). Below it, the lecturer's name is shown (2). A section titled 'Course resources' contains a search bar (5). The first topic is listed with its title (3) and a description (4). Below the description, there are two items: a content post (6) and a forum (7), each with a 'View' button (8).

- ① In this space, the course name will be displayed.
- ② In this space, the full name of the lecturer will be displayed.
- ③ The title of the first listed topic will be displayed here.
- ④ The description of the above topic will be listed here.
- ⑤ By writing in the white field to the left of this icon , you can begin a search in the course posted resources.
- ⑥  This icon represents a content post.
- ⑦  This icon represents a forum.
- ⑧ You can view content when you click on View button.
